# *progressing brakedown*

**Matching intern**

**80%**

company can post for intern  
but can't pass some value

(value in need on matching)

**20%**

student still can't input data  
that need in mathing

(css is complete)

# *progressing brakedown*

**Intern Step**

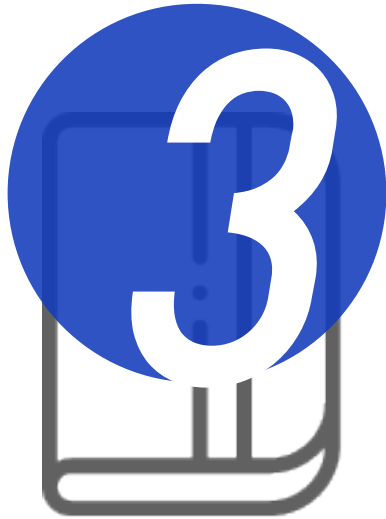

**30%**

user can join event but can't  
work on update status

**10%**

documentary function on  
progressing

# *progressing brakedown*

**Intern Dairy**

**70%**

Student can post Dairy  
and show on site

**10%**

inprogressing on make validation  
and onclick visit on dairy

# Business Model Canvas
